

THANKS...

Special thanks to the PAVBCA for helping support and fund this event. President Rich Schall spends countless hours organizing and coordinating such events for the PAVBCA.

Also, thanks to Freedom High School for hosting this event and Freedom Head Coach John Yanek and the other District XI coaches for offering a hand throughout the planning process.

We all wish the very best to all District XI boys volleyball players in the future, both on and off the volleyball court.

Donations are appreciated.
