Directions to Northeastern High School

These directions are primarily for those “out of the area” teams who need some assistance in finding Northeastern High School. I leave it to you to get to the places at which these directions begin. If you are traveling GPS or Mapquest, the school’s address is:

300 High Street
Manchester, PA 17345.

From the east (Lancaster County): Follow US Route 30 across the Susquehanna River. The third exit beyond the river will be PA Rte. 24. Turn right carefully following PA Rte. 24 North about 6 miles until it ends in Mt. Wolf, PA. Turn left unto PA Rte 921 West. At the top of a long gradual hill, turn right at the second light (a Rutter’s Convenience Store will be on your left)... then follow instructions at “*****” below.

From the North and Northeast (Harrisburg, Allentown and beyond): Follow Interstate Routes to I-81 South and then to I-83 South. Follow I-83 South to the Emigsville Exit (Exit 24). Turn left at the light, crossing back over the interstate. Continue a quarter mile to the light at N. George St. Extended. Turn left onto Route 181N. At the 6th light there will be a Rutter’s Convenience Store on your right. Continue straight following the directions at “*****” below.

From the east or west (if using the PA Turnpike): Get off the Harrisburg West Exit. Go south on I-83 following the directions “From the North” above.

***** Then go one-half mile turning right onto Parkview Ave. The high school is a quarter mile straight ahead. **Go around the building to the left.**

After unloading, buses will be directed to an assigned parking area.

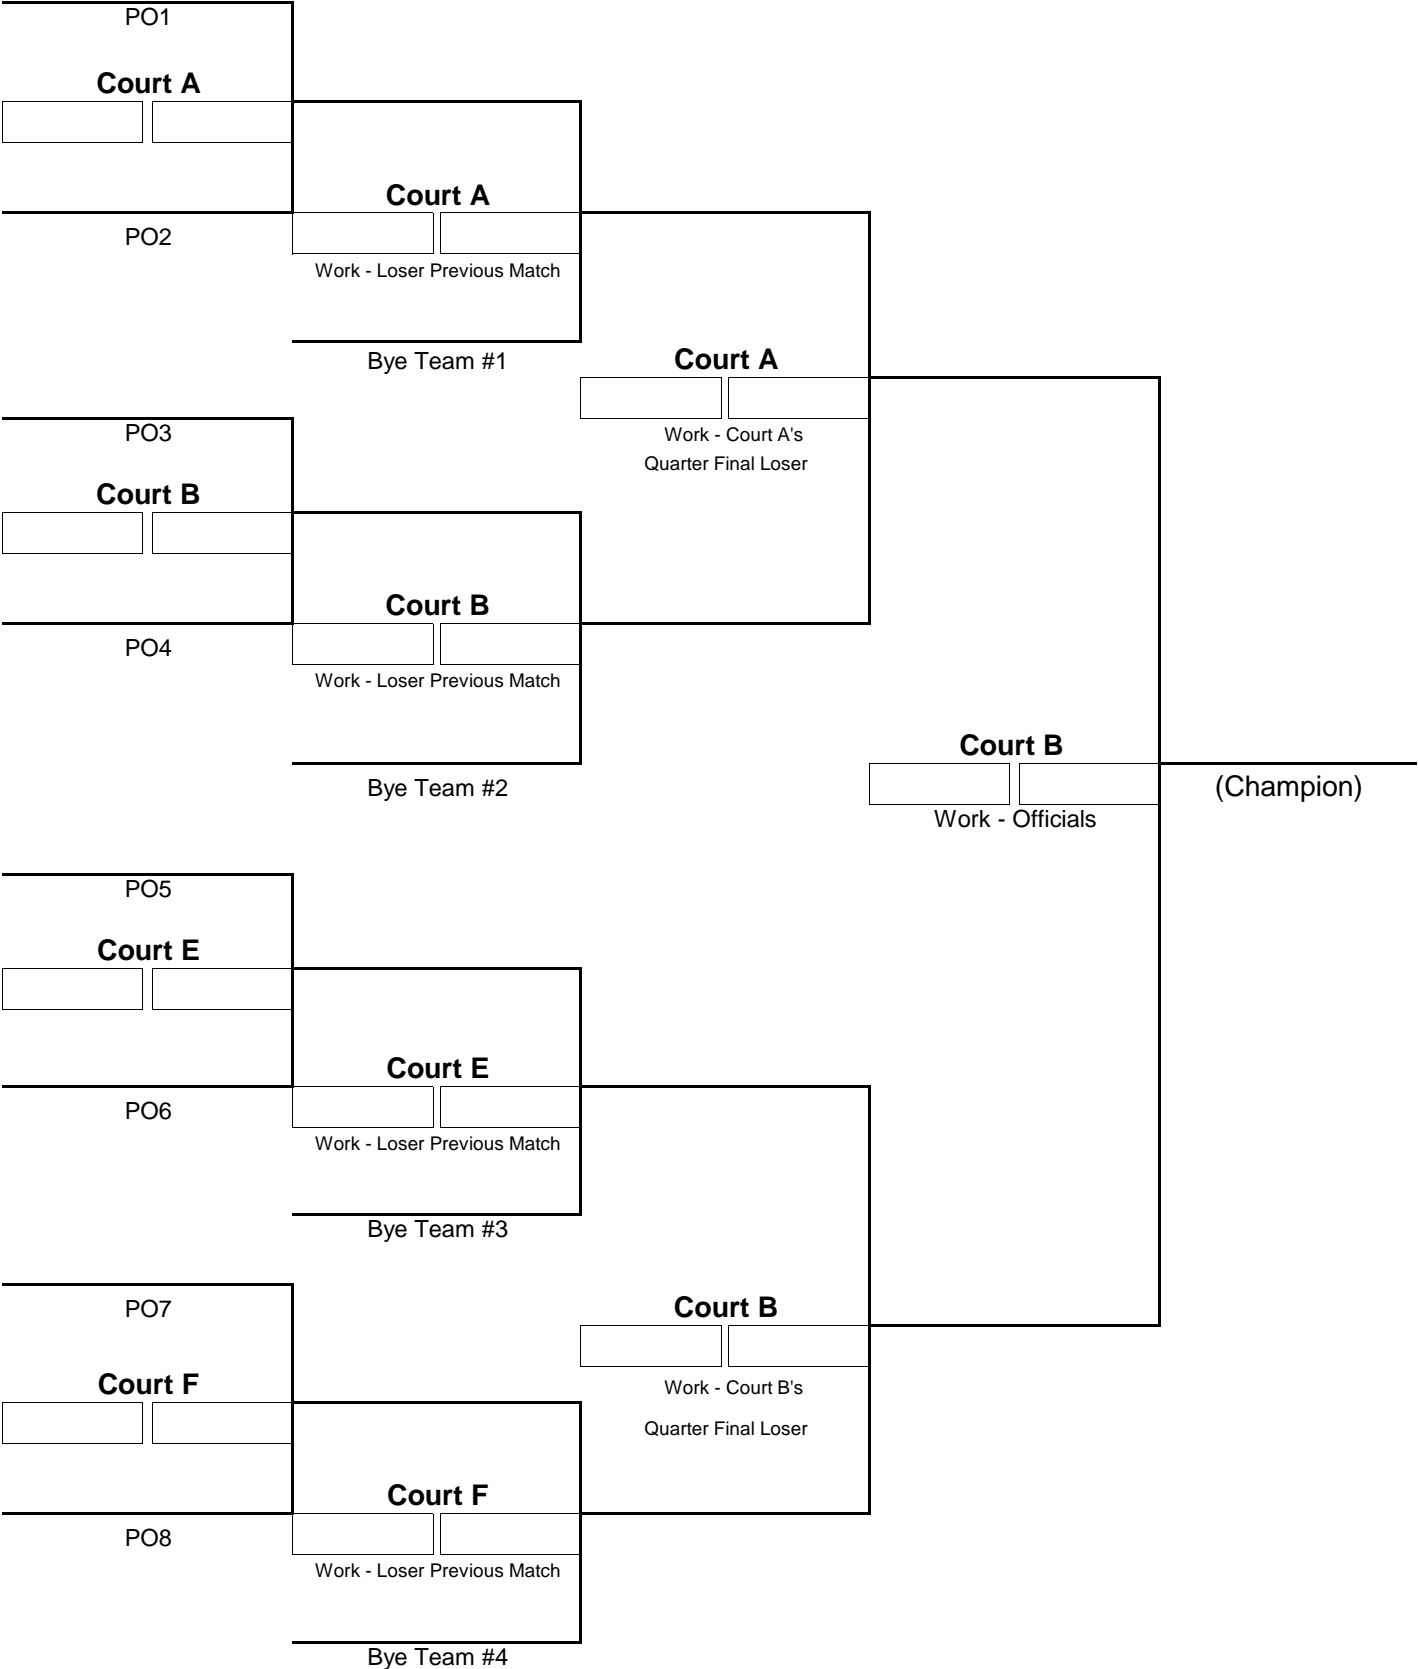

REMINDER: All coaches must report to the Director’s Office in the High School outside Court C before going to their designated courts. Pools A through D must enter through the high school gym entrance. Pools E and F will be in the New Middle School Gym (enter the parking lot end of the building – the courts are immediately to your left).

Junior Varsity Playoffs

All Matches: One Game to 25 Points

The work team for the Junior Varsity Quarter-Finals will be the loser of the second game of Round 6. Should the loser of Round 6 be in the playoffs, the winner of Round 6 will be the work team. Should both these teams qualify for the playoffs, the quarter-final work team will be Bobcat Varsity players.

Play-in BRACKET

All Matches: Best Two of Three sets to 15 Points - no cap
