COACHES & CAPTAINS

2021 Parkland High School Boys Volleyball

SCOTT TRUMBAUER
Head Coach

Four years ago, when these seniors were freshmen, we knew there was something special about them. This class is full of competitive athletes who are also great teammates to one another. The way they have handled last season ended so abruptly and how this season has been full of changes, they haven't lost focus and remain on track to achieve their goals. While we are going to be sad to see them move on from the Parkland volleyball program we look forward to seeing them succeed in all of their future plans.

RYAN "RT" TRUMBAUER
Assistant Coach / JV Coach

It has been a pleasure to coach this group of gentlemen the last 4 years. They will be truly missed when they graduate. The younger players definitely look up to them. They are great teachers and cheerleaders, that type of sportsmanship can not be taught! Good luck in the future!

As you go away to college, I want to let you know that High school graduation is not the end. It is the beginning. To accomplish great things, you must not only act. But also dream, not only plan. But also believe.

Follow your passion, stay true to yourself, never follow someone else's path for you do not know their passion. Always remember Philippians 4:13 "I can do all things through Christ who strengthens me."

I love you and will miss you.
